Dear Friends,

It is an honor to serve as your United States Congressman and to represent you in Washington. My goal is to continue to provide outstanding constituent services for the people I represent.

This guide outlines some of the services my office can provide you with. For example, you may have questions about a federal policy or proposed legislation. You may have questions about one of the many federal programs such as Social Security or veterans' benefits, federal housing initiatives, small business loans and many others.

For additional services and congressional updates, I invite you to visit my website at www.house.gov/hinojosa. By signing up for my e-newsletter you will receive special mailings about important activities in Congress or the issues you are concerned about.

If there is anything that I can do for you I hope that you will not hesitate to contact me or my staff in Washington, Beeville or Edinburg.

Sincerely,

Rubén Hinojosa

Member of Congress

How to Reach Me

My office is only a phone call away. I am always interested in hearing your thoughts or helping you or your family in any way I can!

Grants:

My district office staff is ready to help municipalities, county governments and community organizations with their federal grant requests. Identifying federal grant opportunities and providing letters of support are some of the ways my office can help.

Constituent Services:

My office is here to assist you with questions about or problems with Social Security and veterans' benefits, small business loans, passport applications, immigration services, and other federal agencies.

Service Academy Nominations:

Each year, I accept applications from highly qualified high school students to recommend for admission to any of the five service academies. A candidate must live in the 15th Congressional District. Contact my office for the Academy application process or visit my Website at www.house.gov/hinojosa.

Flag Requests & Washington, D.C. Tours:

A visit to our nation's capital is a wonderful experience. My office can arrange for tours of the Capitol or White House. Also, constituents may purchase a flag that has been flown over the Capitol. While in Washington, I encourage all visitors to stop by my office in the Rayburn House Office Building.

Internship Opportunities:

Internships are an excellent way for students and recent college graduates to learn about the workings of the House of Representatives, as well as my role representing the people of Texas' 15th Congressional District. We offer internships both in my district offices and in Washington.

1.

2.

1. Congressman Hinojosa meets with troops from the 15th Congressional District to discuss their role in the War on Terror.
2. Congressman Hinojosa tours a local Even Start facility to discuss parental involvement.
