# Want to do it fast & easy?

## Here's what to bring.

When you apply for coverage in the Health Insurance Marketplace, you'll need to provide some information about you and your household, including things like income and any insurance you currently have.

Use this checklist to help you gather what you need to apply for coverage.

- Social Security Numbers (or document numbers for legal immigrants)**
- Employer and income information for every member of your household who needs coverage (for example, from pay stubs or W-2 forms—wage and tax statements)**
- Policy numbers for any current health insurance plans covering members of your household**
